Subject: Update on Group Project Progress

Dear Sir/Madam,

I am writing to update you on the progress of our group project. So far, we have completed the research, collected the required information, and finished the initial design. Our team members are working together to complete their assigned tasks.

We faced a few challenges in collecting accurate information and integrating everyone's work. However, we are working to resolve these issues through regular discussions and proper planning.

We expect to complete the project by **10 October 2026**. We will review the final work and make the necessary corrections before submission.

Thank you for your guidance and support.

Regards,

So far, our organizing committee has completed the initial planning, formed student teams, and started coordinating the technical events and cultural activities. We have

also discussed the event schedule and assigned responsibilities to different committee members.

Some tasks, such as finalising the participants, arranging the required equipment, preparing promotional materials, and completing the venue arrangements, are still in progress. We are working together to complete these tasks on time.
